

JOTHEESVAR. K.N

Orthopaedic Surgeon

ecsvarknjops@gmail.com

9942679596

SKILLS

Emergency trauma care and Management, Closed reduction and POP application, Wound debridement and external fixation, Amputation, Trauma Surgeries and bone grafting, Assisted Arthroplasty procedures, Assisted spine and arthroscopic surgeries, Post op care and Physiotherapy, knowledge in management of musculoskeletal Oncology

PROFILE

I have just completed my Masters in Orthopedics and Traumatology and would love to gain a lot of experience in surgical skills. I would like to acquire more knowledge in the field of Trauma, Arthroplasty and Spine surgeries through my sincere efforts and hard works.

EDUCATION

MBBS | Government Tirunelveli Medical College Hospital, Tirunelveli

Aug 2012 - Mar 2018

M.S.Orthopaedics | Trichy SRM Medical College Hospital and Research Centre, Trichy

Jul 2020 - Jul 2023

EXPERIENCE

Junior Resident | Trichy SRM Medical College Hospital and Research Centre

Jul 2020 - Jul 2023

- Conducted patient evaluations, including taking medical histories, performing physical examinations, and ordering diagnostic tests.
- Assisted in and performed surgical procedures, demonstrating proficiency in aseptic techniques, sterilization, and surgical instrument handling, while adhering to safety protocols and maintaining a vigilant approach to infection control.
- Collaborated with interdisciplinary teams to develop and implement treatment plans for patients, ensuring continuity of care and adherence to medical protocols.
- Managed patient documentation, including accurately recording medical histories, progress notes, and treatment plans in electronic medical records.
- Participated in educational activities, such as case presentations and journal clubs, to enhance knowledge and skills in various medical specialties.
- Conducted extensive literature reviews and participated in research projects, collecting and analyzing data to contribute to scientific publications and enhance medical knowledge in areas such as disease management and treatment outcomes.
